I understand that my request for enrollment is valid for one year from the date of submission. I further understand that my child's admission date is dependent upon the following factors:

1. Vacancy in the age appropriate classroom
2. Parents entrance status
3. Date that I signed and submitted the request
4. My requested start date
5. Potty training status of child for the 3 and 4 year old room

I also understand that IRSC's Child Development Center cannot hold a place for my child, if there is another child requesting an earlier start date, regardless of the request date made by the child's parents, the earlier date will have preference.

I agree to abide by the application, eligibility, vacancy, notification, and waiting list process and all policies and procedures followed by IRSC. I understand this request in null and void if
