

All Indian River State College (IRSC) completely online classes will have one or more proctored exams. These proctored exams can be taken in any IRSC Assessment Center free of charge. However, in some online classes students also have the option to use a paid service called Examity, to remotely take proctored exams for their completely online IRSC classes. Please note that Examity is not being used in all online classes this semester. Examity is a recognized leader in remote test proctoring that offers students a secure and convenient way to take proctored exams online.

Examity is fully integrated within Blackboard, which means you can access Examity directly from Blackboard without needing an additional user name and password. Also, prior to your first exam, all your pertinent information is automatically imported into the Examity system for the classes in which you are currently enrolled.

- You must take exams on a desktop computer or laptop (no tablets, cell phones or Chromebooks are permitted).
- You must have a working built-in or external webcam and microphone.
- Your Internet speed must be at least 2 Mbps download and 2 Mbps upload. (Determine your computer's Internet speed by running a test at <http://www.speedtest.net> prior to scheduling your exam.)
- You should complete the online Computer Requirements Check on the Examity website while creating your profile.
- The browser popup blocker must be disabled on your computer.
- You will need to test in a quiet p (l)-0Yc1 bii04 T.cf T.cf Ti(on)10 ((s)4 (et)2 (op)4 (hoe eat)2 (

Please read the Examiity Student Quick-Guide on how to use Examiity. Then log in to the Examiity website to set up your profile. Only after your profile is completed will you be able to schedule your exams.
